GREETINGS FROM
MALLORCA!

**Former sailor, Becky,
charts a new course
as a true Mallorcan
microgreen farmer!
When her kids are in
school she is at the
helm of her own
flourishing business.**

**Interview with Becky Sell
Founder of Planet Greens
by Mary D'Apice**

“Moving the farm to my home was the best thing I had ever done.

I can work and be with the kids.”

no matter how busy things get.

It's the precious moments.....

I love the most..

**Becky Sell,
Fouder of Planet Greens**

“It’s amazing how fast you learn and grow. I’m really on top of everything now, when I need to seed and when to harvest”

**From the beginning,
Becky set her mind on
getting the coveted
organic seal
and it paid
off:**

**She became the supplier
of the popular organic
stores of Mallorca**

**In just two years
Planet Greens has had
incredible success with
Becky at the helm.**

Becky:
**“I love to
be alone in
my room with the
microgreens. It’s a very
calming place to be.”**

**Do you also want to
enjoy the freedom of
running your own
microgreen business?**
